“ Jack was a good friend to me and worked for my Dad part time growing up. He'll be missed. Jack got into a pocket of anhydrous ammonia at his full time job years ago and managed to get back to the shop I rendered aid to him and got him out of his pickup until the ambulance got there. Pretty scary moment. I learned a bunch from him, he was a good man. Prayers go out to his family.

“ Janet,

So sorry to learn of Jack's passing.

I just saw Jack at the auction in Holdrege on Saturday. He appeared to be doing okay and said he had driven himself to Holdrege. We didn't talk much as I was concentrating on the sale.

My thoughts and prayers are with you at this difficult time.

“ *I got to know Jack from the auctions and sales in the Kearney area, and became friends with him through the Golden K Kiwanis Club. Jack always had a kind word, and took the time to answer my questions. He was faced with challenges, but always had that drive and determination to forge ahead. Our Club, and our Community lost a good man.*
