“ *I'm so sorry and saddened when I heard of Jack's passing. I have known Jack for many many years.. All of the memories and fun times we had going Roller skating and bowling. He loved roller skating and was quite good at it. He taught me how to waltz skate and do spins and other tricks. When the skating rink closed in Minden he would pickup us kids and drive to Holdrege or Kennesaw to skate. In the summer when there was no skating Jack took us bowling. He even helped me buy my first bowling ball. Sometimes he would just come to Minden to watch us kids swim then of course we would have to go get his favorite meal of Broasted Chicken and malts from Patterson's Dairy Creme. Oh my.. I could go on forever about Jack. Jack always cared for the people he loved,his mother Jessie especially. He often spoke of his nieces and nephews I know he loved you all.*

I will miss you Jack but you left me with many happy memories.

Love to you all.. Jill Crooks Heathers
