*I just learned last night about Jackie's passing. I had the opportunity to serve with Jackie about 10 years ago on the local Early Development Network Planning Region Team in Kearney. Her bubbly personality and passion for improving the lives of children with disabilities was evident. I am grateful that she continued serving Nebraskans with developmental disabilities (DD) as a service coordinator for DHHS. The DD community grieves her loss as well and extend condolences to her family. Kristen Larsen, Executive Director of the Nebraska Council on Developmental Disabilities*
