“ Jacob was one of the brightest, funniest, big-hearted people I've had the privilege to know. I find myself wishing I could share things with him, or tell him about some little thing in my life, or make art with him, still, all of the time. He's greatly missed and not forgotten.

“ Our sincerest sympathies to Jake's family, the world has lost a bright light. I admired his musical and artistic talent, but most of all, Jake was such a wonderful and loyal friend to our son. We really enjoyed having him around during their high school years. So many fun memories!  
He always knew how to bring the laughs, the energy and the fun.  
He will be sorely missed.
