“ Jackie always had a smile and was such a fun, positive person to be around. I remember when about 6 of us volleyball moms were doing "the wave" at the Sutherland volleyball tournament and we were having such a fun time laughing and enjoying the games! Jackie was a wonderful person and our prayers are with all of you during this difficult time.

“ I still remember going to Herman and Jackie's for supper in Stapleton and we enjoyed venison chili. The laugh was because Vickie wouldn't eat deer but ate the chili without realizing Jackie's secret ingredient. I knew but didn't spill the beans until later. Many happy times shooting, coaching 4-H kids and breaking bread together. We've missed you guys all these years and while we hated to see you move away, we're happy to know the wonderful life you've had since the days when we shared the same community as neighbors and friends. The friendship part will never cease. May God Bless you all.
