Thank you for thinking of us. We miss the family reunion even though it seemed to get smaller every year. I'll let LeRoy and Lois know that you gave them your best.

“*Cookie and I wish to extend our condolences to Lori and all of Jim's family. Please know that we are thinking of you in this time of loss and ask the Lord to provide you comfort and piece. I have many memories of Jim, Garry, LeRoy and Eugene from the times we spent together at your farm on the west side of Kearney. Those were fun visits, it was almost like going to a different world, certainly someplace different than our cafe on East 25th Street. I learned some things during those visits, like how to care for rabbits, how to feed the farm animals, how to make a shot gun out of a piece of steel pipe and for sure, not to put water in a very hot tracker radiator.*

*Our deepest sympathies,
Bill Knoll*

“ *To the family we are so sorry to hear of such a great loss of your husband, dad, granddad, great granddad, uncle and most importantly to us here in Pensacola, FL., a great and dear friend. We count it an honor to have met such a humble and generous man and every time that we made those trips he made us feel at home. The most memorable memory my mind reflects on is when he danced with my niece which is his granddaughter (Jaci) at her wedding 🍷❤️. To the family we love you dearly and you are forever in our hearts and prayers 🙏❤️🙏💙*
