“ *Jaimie will be truly missed by many. She could always bring a smile to someones face ever since I knew her from high school. I would run into her going garage saleing and always planned on having lunch together to catch up. It never happened so lesson learned. Always keep a promise and don't put off enjoying our friends. We miss you already sweet Jaimie!!*

“ *The part in the obituary that says, "She never met a stranger and everyone who met her loved her." That was the Jamie I knew. Obits are hard to write and this was a good tribute to her. Prayers to her mourning family. There was tons of love in her family.*
