“ *I had so many great memories in Jane's house and with the family. They always made me feel so welcome. It was great growing up next to her. I even got to ride home from my grandparents in Omaha with her once. (She had just left her own grandchildren and daughters.) Thank you all for sharing her with us.*

“ Jane was about 80 the last time I saw her, was tending her flower garden. She shared family memories with us. She was so full of life, energetic. She said she expected to live to be 100. Well, she almost made it! I didn't really know her very well, but she was a wonderful lady.

“ *Dear Cousins,
It was so sad to hear that your mother passed away. The Bernhard family in Germany felt honored to have had the opportunity to meet this fabulous person. When she heard of us back in the 1980ies she immediately made up her mind to visit us with you here in Germany. She enjoyed so much that she came back again. Hartmut und I enjoyed meeting her again in that fantastic summer 2006 in Colorado. We will keep Jane in mind as a vivace, intelligent, heartfelt and charming lady.
If there were not the Ocean in between we would certainly being at your side on her last way.
With our deepest sympathy,
