“ *Roy and Family,*

I knew Jane for 25-30 years. First as her tax practitioner and as the years passed our business relationship grew into a freindship during your moves from Omaha, to Alabama and to Kearney.

Jane was a stickler for accuracy to do one's job correctly. During our office appointment and as I was preparing her tax return, she would stand behind and make sure I was picking up all of the deductions and recording the right amount. I initially found this a bit over-the-top but as the years passed it became a joke. When you moved to Alabama she mailed all your documents and her detailed summary sheets. I knew she would check, double check and review my work again ... so I nicknamed her "Triple Check Jane"!! She chuckled about it when we spoke and knew the moniker applied.

I was and am honored to have known and done business wiht Jane. But I will mostly cerish memories of her smile and my friend "triple Check"!

“ Dear Family,
How I was so saddened to hear of your loss. I wanted to share some comfort from the bible that I thought you may enjoy. Acts 24:15 brings out that soon there is going to be a resurrection. What comfort this can bring-2 Corinthians 1:3,4. The bible also shares in John 5:28,29 that we have a real hope of being reunited with our dead loved ones. God is the creator of life and the bible calls Jehovah God "the source of life"(Psalms 36:9; Acts 17:25,25). He is the one who gave life to all living creatures. God is capable of restoring life to someone who has died. The bible says that god resurrected humans in the past. There are eight instances of humans young, old, male and female who were brought back to life on earth. John 11:39-44. Jehovah God is eager to do it again. He hates death; he views it as the enemy (1Corintnians 15:26). God has a yearning to conquer that enemy, to undo death by means of a resurrection. He longs to bring back those who are in his memory and to see them live on earth again (Job 14:14,15). I hope these scriptures have brought your family comfort like they did me when I lost my father eight years ago. If you do not have a bible you can read it online at www.jw.org
Sincerely Tamiko
