“ *She was a loyal patient and she became my friend. I was very surprised to see her obituary, because she was too young. I will miss her. Ron*

“ *My thoughts are with everyone in the Shubert family. I always have admired Jane for raising 3 boys, holding a job, and still being able to smile all of the time. I have fond memories of being around the Shubert family when I was growing up. The house in Overton will always be the Shubert house to me. When I was little, I couldn't remember which house it was until Christmas time came around. It was the house with Santa and his reindeer on the roof!*
