“ I remember this last snow storm and Jason scooping his driveway which was about 3 ft deep. I gave my husband heck because he wasn't helping jason. My husband simply pointed to the road where a small tractor and blade was coming to his rescue. He had it handled! Our hearts ache for allison and khloe. Please let us know if u need ANYTHING. We are right next door. We were in kansas city Saturday and Sunday when we heard the news. Will stop by when we return.
