“ Jeff had a special place in my heart and always will. I so enjoyed his enthusiasm as he and Terry worked together on his 56 Chevy. I along with Chase, Thomas, and Gina send our condolences. Jeff was a good kid. I have many fond memories of him. I am heart broken by the news of his passing but am consoled to know he is with the Lord. Rest in peace, Jeff. We will see each other again.

“ *Jeffrey, Judy, and family. I already miss seeing Jeff. I knew him through church for only a short time. He initially came on Sunday mornings and sat right up in the front pew, I am assuming so that he could really pay attention to the service. He helped with Awana, a children's Bible learning program for one year. He helped with the preschoolers, Cubbies. I know that John Goodell's five year old daughter, Ally, loved him. I sent him cards at his blue mail box on my road. He was our neighbor out here in the country, living six miles from our house. He would drive by now and then when visiting a friend. He would stop on the road where I was walking and we would visit a while. Jeff was a guest at our home once when we had a small gathering of neighbors. He missed you, Jeffrey, and was concerned for you. He looked forward to the next time visiting you. I grieve for your loss. I also rejoice in Jeff's salvation. My husband and I send our condolences. “ When Jeff worked as an aid at Good Samaritan hospital, I had the privilege to work with him. He was so willing to work and help me, other nurses and especially the patients. Jeff was a very special person. We had some good talks. So sorry for your loss. May God wrap His loving arms around you at this difficult time.

*That's right! When I met Jeff a few years later, away from Good Samaritan, he reminded me we had met at Good Sam, I as a nurse, he as an aide and yes, he was a great aide! I hope his final days at Good Sam were peaceful and comfortable. God Bless you, Jeff. R.I.P.*
