The family will receive friends 6:30 to 7:30 p.m. Friday, July 24th at First Lutheran Church on the North Lawn.

Memorials are suggested to the Kearney Public Schools Foundation, First Lutheran Church, or the American Red Cross. Condolences may be shared online at www.osrfh.com. Services are entrusted to O'Brien Straatmann Redinger Funeral and Cremation Services.

Jessica was born July 11, 1978 in Ogallala, Nebraska to Martin and Bonnie (Knight) Mueller. She was raised in Ogallala and attended St. Luke's Catholic Elementary School and later Ogallala High School, graduating with the class of 1996. Jessica was the class valedictorian, a standout member of the girls' golf team, a thespian, and a member of the band. She enjoyed waitressing, played piano at Ogallala's famed Front Street Crystal Palace Review, and was

a photographer's assistant. After graduation, she attended the University of Nebraska-Kearney (UNK) where she earned her bachelor's degree in education. She delivered flowers for Kearney Floral when not in class. On June 10, 2000, Jessica was united in marriage to Nathan Eidem at St. Luke's Catholic Church in Ogallala. She began her career at Horizon Middle School in Kearney, teaching 7th grade science until 2003. During this time, she earned her master's degree from UNK. The couple moved to Washington, D.C. and Carbondale, Illinois to continue their education, and Albany, Oregon where Jessica taught in Mt. Angel and was the girls High School Golf Coach. In 2008, they moved back to Kearney where she worked at Sunrise Middle School, before returning to her previous 7th grade science position at Horizon Middle School. Jessica loved to learn and enjoyed the challenge of sharing that knowledge with her students. She was a natural teacher.

Their beautiful daughter, Julia, was born on July 20, 2009. Her birth was harrowing for the new mother, as she battled pre-eclampsia. The two enjoyed their girls' weekends together. A handsome son, Isaac, came into their world on February 4, 2012. His birth followed a storm that dumped 10" of snow on Kearney, adding some extra excitement to the event. The two loved to read together. The family traveled extensively throughout the U.S. on many long road trips. She loved her children very much and put them at the top of her priority list every day of their lives. She was an accomplished teacher, but her passion was her family. Her biggest wish was for society to put child-rearing at the top of its priority list.

Jessica had an unwavering faith and was an active member of Kearney First Lutheran Church. She taught confirmation classes, helped with VBS, mission outreach and played the keyboard in the praise band. She loved to golf, play piano, go on walks, travel, attend concerts and spend time with her family.

Jessica loved to laugh and was one of the kindest people wherever she went.

Her beautiful smile could light up a room. She was well loved by her family, friends, co-workers, and students. Although Jess met a tragic end while walking with Nate, it is somewhat poetic that it happened at the same school she loved so well.

Left to cherish her memory are her husband, Nathan Eidem of Kearney; children, Julia and Isaac Eidem of Kearney; parents, Martin and Bonnie Mueller of Ogallala; brother, Jacob Mueller and wife, Laci of Ogallala; sister, Joanell Staab and husband, Jarred of Kearney; grandmother, Trudy Knight of Keystone, Nebraska; as well as several aunts, uncles, nieces, nephews and extended family and friends.

Jessica was preceded in death by her grandfather, Fred Knight; and grandparents, Charles and Ardis Mueller.

Memorials are suggested to the Kearney Public Schools Foundation, First Lutheran Church, or the American Red Cross. Condolences may be shared online at www.osrfh.com. Services are entrusted to O'Brien Straatmann Redinger Funeral and Cremation Services.

“ I am a student of hers, she taught us all how Amazing the life we are given! Whenever I saw her she smiled so big her smile could light up the room. She was so much more than a teacher she was a follower of God and showed everyone her beliefs with the kindness of her words and action. I will continue to pray for her family and friends and I would ask that you would too!! You were amazing, thank you for the positive impact you made on the world! You will be dearly missed....

“ I was one of Jessica's students when I was in 7th grade, and she was the only science teacher I had in middle school that I genuinely liked. I have many fond memories about my time in her class, and all the fun things we did. I remember our unit on cellular respiration and the little chant she taught us to help us remember the process, and when we were dissecting frogs, I remember her cooking up the frog legs for us to try. She was always so smart and sweet and really passionate about what she taught. She always supported me and many others throughout our time at Horizon. She was kind, thoughtful, and made learning fun. Jessica put smiles on the faces of many kids, and I was really lucky to know her and have her as my teacher.

As a substitute, I was always enthusiastic to teacher her classes. She was organized, fun and a fantastic teacher. Her smile was contagious. She will be missed by all who worked with her. I will especially think of her on July 11th since that is also my birthday. I am so sorry for your loss.

Jessica was the sweetest, kindest, most caring person I have ever met. I was one of her colleagues at Sunrise, and I've never ever heard her utter an unkind word. She was the poster child for "If you can't say anything nice, don't say anything at all!" Her smile was contagious. Jessica was my daughter's (Kristi's) teacher at Horizon and was her very favorite teacher ever! Jessica was that teacher who got Kristi interested in science. She made Kristi believe that she could accomplish anything and encouraged her to reach for her dreams. Jessica touched a lot of lives, and this tragic event has left us heartbroken. My prayers go out for Nate, Julia, and Isaac. May God comfort you during this very sad and difficult time.
