“ *Hello, I was saddened to hear of the passing of Jesus and feel much empathy for your family. I've thought of you many times and wish I would have heard Jesus perform in years past. What a gift of time and caring in these last several years you have given. Blessings and best wishes to you all in the days ahead. Fran Wilson*

“ Although no words can really help to ease the loss you bear, just know that you and the family are very close in every thought and prayer. I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love.
