“ *My name is Linda Knipping. I do a chapel service at Prairie View every Sunday at 10:00 a.m. Joan was so faithful, even when her sight was failing, to bring the hymn books out on her walker and place them on the chairs. She was a sweet and precious lady. I wish I had known about where she had gone when she left, but they can't reveal those details.*

*Thanks for sharing this precious lady. She is greatly missed. May God Bless all the family with peace, knowing she suffers no more. Love and prayers, Linda Lou*

“ Grandma you were always my biggest supporter. You told me how beautiful I was even when your sight was failing you. I will forever miss our long phone conversations and the birthday call where you would sing me happy birthday. You taught me to be a great hostess and to never know a stranger. I know you and Grandpa are looking down on us and watching over us and protecting us. I hope I can live up to all of your dreams for me and be half the grandma you were. I love you and miss you so much! Will you have some fudge ready for me when it's my time to visit you and grandpa?

*I will truly miss My Aunt Joan. She was such a role model in my life, always smiling and found a silver lining in everything. I used to ask her why she never complained and she always said...honey, what good would it do? She was one of the strongest and most positive people I've ever met. I'm very proud to call her my Aunt. Love and miss you already, Linda*
