“ *Mary (and family),
I have so many fond memories of John. I had the pleasure of spending hours and hours working with John at Haeberle's Grand Central Pharmacy while I attended Kearney State College. He was smart, funny, and behind his ornery facade was one the kindest, most compassionate people I have ever had the pleasure of calling my friend. I will never forget the time I spent working for John. May your own happy memories carry you through this difficult time.
With Love and Prayers,
