“ John and I had grown closer in recent years due to his health issues, going to appointments, and hospitalizations. He liked just going for a drive, getting a Barista's White Chocolate Monster Cookie mocha, Runza's twist cone, or a DQ Blizzard. He liked to sit on the front porch and watch the trains and traffic. We would sit in front of the fireplace talking and watching the flames of the fire and feeling its warmth on chilly, cold nights. I will miss you, John! I love you, Mom
