“ Laurie, My deepest sympathies on your loss. I will never forget John and how we laughed and had such fun when we were all young. Every day, now, it seems that life gets shorter. We need to hold our family and friends even closer to us and keep our hearts open to give and receive their love, because, when it comes down to it, they are the most important things in this short time here on Earth. I know John is in the good hands of our Lord now and is free of any burdens this old life down here stuck us with. God Bless you Laurie. Know that you are in my thoughts and prayers. “ We remember the times we had together and they were always filled with fun and loving memories. One day when you came to visit, you cuffed me in front of my house. How it made the neighbors wonder. John you are one of the most fun people I ever knew. You will be deeply missed. Our deepest sympathies go out to all the family.

“ Laurie and Family, I am so sorry for your loss, he will be missed, our "Pollock" as he was nicknamed then. All the camping trips, fishing in a boat on Rainbow Lake all day, our 'all you can eat Skippers meals' he would take us to, his driving me to work every day cause I didn't drive, our meal companion before you married, pushing the yellow Carryall out of the mud when we tried to 4 wheel it, the fact he fell head over heels for you the day he met you and felt that way always, those memories all flood back. May you rest in peace my friend. May God comfort you all. Love, Melinda
