“ *Josena was one of the most loyal and real woman that I can proudly say I got the opportunity to meet! First time meeting her she took me into her home as one of her own and we became friends from that point on! I seen to it that josena was given a black lab one of the puppies my friend had at the time. Even when I went to prison josena made sure my things were taken care of she was one of a kind! All condolences to her family and friends. Love you lady. Rest In Peace nikki*
