Her family later moved 2 miles north of there to their farm. In the middle of May of 1916 the family went by covered wagon pulled by 2 horses through the northwestern part of the state to Scottsbluff. They visited relatives a few days and then went to Cheyenne, WY and on to Ft. Collins, CO. They went over a small mountain range and camped in a valley in a tent about 2 miles from Coalmont, CO just north of Rabbit Ear Pass for about 6 weeks. This trip was due to her mother's health as she was diagnosed with T.B. She attended Denman School through the 10th grade. In 1924, the family traveled to California in a REO Speed Wagon. The sides rolled up in the daytime and down at night so they all stayed in it. They went through Yellowstone Park from east to west entrance and then on to Boise, Idaho to spend a week with relatives. They traveled on to Hood River, OR and picked apples for a while and then on to Pasadena, CA. The children attended school there, although they never received any credit once they returned to Nebraska the following year. They sold the REO Speed Wagon and took a train back home. She graduated from Denman at the 10th grade and the 12th grade at Kenesaw High School in 1926. She attended Kearney Normal School in the summer months and taught rural school for four years. On January 31, 1931, she married Vern J. Johnson at Atwood, KS. To this union were born 3 children, Betty Jean Benson, Nancy Ann Ashcraft and Gary Lee Johnson. They moved to the farm in Phelps County in May of 1931. She lived there until her health declined and moved to the Christian Homes in Holdrege in 2003. She was a 4-H Club leader for Williamsburg Willing Workers for 25 years, President of U.M.W. for several years, Sunday school teacher, Sunday school superintendent, church treasurer and member of the church board and cemetery board.

Her husband died in 1970 She is survived by her son, Gary Lee of Redmond, OR; daughters, Nancy Ashcraft of Holdrege, and Betty Jean Benson of Kearney; 12 grandchildren; 23 great-grandchildren; 15 great-great-grandchildren and several nieces and nephews. She was preceded in death by her husband; 2 sons-in-law, Clarence Ashcraft and Rodney Romaine Benson; daughter-in-law, Sandi Johnson; grandson, Ronald Lynn Benson; brothers, Jerry, Clifford and Floyd; and half-brother, Charlie.

“ *My deepest thoughts and prayers are with you. My memories of Joise and my mother Dorothy are very fond. It is as if part of my life as closed. I am sure Paul and Dorothy are enjoying playing cards with Vern and Josie again. Charles told me that Vern and Paul use cheat something terribly. In fact Charles said more than once they would still be at it early in the morning. I once ask my mom how Josie and her had been able to stay such good friends through the many years. Her reply was, "we never talk religion or politics. God Bless Nancy Betty Jean and Gary. I will always have fond memories of your mother and what a good loyal friend she was to our family.*
