“ *Dear Janice and family,
I have some very fond memories of Judson. The two of you and my dad playing cards around the kitchen table. You were always such good neighbors to him. I'm so very sorry for your loss. May you find peace in your memories of a very good man. My deepest sympathies to all of you.*

He was a good man wasn't he? Very patient and understanding when he was dealing with people he thought he could trust. You would know that first hand though, wouldn't you.
