“ *I was very saddened to learn of Judy's death in the Arapahoe paper this week - thank you for publishing it. Judy and I had a lot of fun and laughter while in school - sleep overs, pep rallies and all the normal high school activities. We lost touch after high school but did catch up at class reunions. I am so very sorry to learn of her passing and you are all in my thoughts and prayers at this time.*

“ *Ron and family,*

We were really surprised to here about Judy. I guess one never knows. We would have come to the service, but we had commitments two fold; so we could not make it work. We send our heart felt sympathy and will keep you in our prayers.
