“ *I worked with Karry at the Arc Office. She was such a sweet natured pleasant person, organized and held things together. The best part was her kindness and gentle nature towards our individuals with special needs. I love her heart! Thinking of you as you adjust to the new reality her absence brings to your lives. Love and peace—

“ I was very shocked and saddened by the loss of Karry. I first met her when we worked at Fashion Encore and again through the Arc of Buffalo County. She was an enjoyable lady to visit with and to just be around. My condolences to you Shelly and your family. Peace be with you.

I was shocked to read in the local newspaper of a memorial to the Goodfellow Shoe Fund for Karry. Karry is my first cousin and I am saddened to read of her death. Please accept my deepest condolences, Shelly and Larry.
