

## Kay Amos

April 26, 1947 - October 6, 2025

On October 6th, 2025, Kay departed her earthly life filled with pain and suffering, into the arms of Jesus to her eternal rest. Her infectious laughter and contagious smile were familiar to all whose lives were touched by her, and all of us who knew and loved her.

As per her wishes, she chose cremation and there will be no service, no memorial, and her ashes are to be interred later.

And may flights of angels lead thee to thy rest.
