“ *My 28 yr. old grandson died 2 mths ago. I feel your pain. I have felt the futility of words in this pain. I have come to the realization that the 28 yrs i had with my Dusty, was worth the pain that i feel now. I think that you will agree with me in this re: Kenny. you are in my prayers.*

“ *I am so sorry that you lost Kenny. I lost my 28 yr old nephew 2 months ago and I know the pain of losing someone that you love so much and is so young. I've asked so many questions since my loss and all I can really understand is that God has it all taken care of even though I don't understand it all. I pray for God's peace for all of you now and in the future .*

“ I will never EVER forget Ken. He was one of my very best friends and my children loved him. There was never a time we needed something and Ken wasn't right there with his helping hands. Getting through this will be very hard but knowing he is dancing with the angels will help. He will be deeply missed by my entire family and never forgotten. May God wrap his arms tight around the family at this time.

“ We will miss Kenny!! What a great young man. He was so kind, loving, thoughtful and generous. We sure did miss him whenever he wasn't with us at holidays and family get togethers. His big hug was enough to let us know how much he was always glad to see us. We are keeping you all in our thoughts and prayers, knowing that you need all the strength and courage to get you through this difficult time. We love you very much!

“ We are very saddened by this sudden loss of my nephew and yet there are so many great memories and times of laughter that will stay with us. Kenny always had a ready smile and laugh for those close to him. He enjoyed life since the day he was born. While growing up, and to this day, Kenny and my son Michael ‘David’ enjoyed their times together in Nebraska, Alabama and Florida. They would have fun in whatever they did, from playing pranks to wrestling, from playing on sandy beaches to building snowmen. When Kenny and Joe spent a summer in Alabama, we found out just how much food could be consumed by three boys. Holidays were always special when Kenny was around. He will be missed and leave a huge hole in our hearts and in our family. Look unto the Lord for your strength and comfort. He will carry you through. With Love to All, Uncle Mike and Marsha Berglund
