“ I only knew Chef Ken for a short time, but there is no doubt in my mind that he will be missed. We all missed him when he left Hy-Vee, and its still not the same without him. He was a kind, caring man who was always willing to help out with anything he could, and he gained my respect quickly. R.I.P. brother of the flame, your memory lives on in our soul.

“ My favorite memory of Kenneth is from when he was just a little toddler. He was so cute with blond curly hair. My sister and I would dress him up in doll clothes (I think . . . ???) and curl his hair up. Oh he was a doll!!!!

“ My deepest condolences to his family and friends. I knew Ken from HyVee, for a while I worked in a nearby dept., he never failed to say 'hi' to me and never seemed too busy to talk a bit. It's very sad to hear of his passing.

“ Please accept my deepest condolences to all of you in Kens family. I had just began to get to know Ken via the Eagles and our common passion for BBQ. My last conversation with Ken was in Hastings where he was judging a Rib Cook-Off. We had a great conversation after the turn in, setting down and talking about BBQ, life in general and some of his future plans. I was truly saddened when I read the e mail of his passing this morning.
