“ *I am so sorry to hear this. I didn't know this until just now. I knew him through BACA. He was a big, loveable teddy bear. I always felt comfortable around him and loved to hear his truck driving stories. Rest in peace Spook. Much love always and forever. 🥹🥹*

“ *So sorry to hear about Spook. He had a big heart and would do anything for anyone. I knew him for over 40 years. Could always hear his truck coming because you could hear the music almost before you could hear the truck. Rest in Peace sir!!!*

“ I always thought of "Spook" as an uncle as he was friends with my mom and step dad, Lonnie and Cenya. He was a pall bearer at my mom's funeral. Have many good memories of motorcycle rides with the gang, many of whom are now also departed. Thanks for the fun memories. Tami Thornton
