“ I have so many memories with Kevin I could share. He was such an amazing man with such a kind soul. Kevin and my Mother met 9 years ago. If you would have asked me then, I would have never guessed that he would have made as big of an impact on my life as he did. I thought of Kevin as a father, and he treated me as his own daughter. I will forever be grateful that Kevin was placed in my life. He earned his angle wings far to early in life. He didn't go down without a fight tho. Kevin was bound and determined that he was going to beat the diagnosis the doctors gave him. One of my favorite memories with Kevin is our annual family camping trips at our favorite lake. Not a day will go by that I won't think about Kevin or miss him. Rest easy, until we meet again ❤️
