“ *Keysha was a bright light. She was a wonderful ambassador for what is good in this world. She always wore an ear to ear smile. I was honored to serve as her principal at Gibbon High School. After graduation she came back on several occasions to visit and share the things she was doing and how she was enjoying her role in the military. She will be dearly missed. Keysha was taken way too soon.*

In one of my last conversations with her she told me she was going to make an impact in this world. She did that. Rest easy kiddo.

“ Many laughs though out the 6 years I have known you. Mostly around your family table. Also the girls night out drinking margaritas at my house. Your art talent was amazing. Fly high and dance in the sky with the angles. Hug Canela for us on the rainbow bridge.
