“ I am so sorry to hear this. He was a very nice sweet and courteous man. I knew him since I was 5 years old as his wife Doris would do my mothers hair almost all my school age years as I would tag along to the beauty shop good memories. I used to go visit their farm from a few times and everyone he saw me he would call me knee high. So I went to tell my mom what he was calling me. She said he was probably misunderstanding when she called to me ha (Mija) which is Spanish for daughter. She told me not to correct him and it would be our favorite memory down the road of him. So we let it be that. So sorry Doris Legg and Troy, Tricia and families. He will be missed.
