“ *Aunt Dolores, Paul & Family, Renee and kids Please know that our thoughts and prayers are with all of you, and I will remember Kurt as he was when we were kids (rambunctious) and Kurt as an adult (creative and intelligent) and always loving. We all have our own memories of Kurt but the most wonderful thing we all shared was in knowing Kurt for the time that God granted us on Earth. With all my love and sympathy, Shawn*

“ *Dolores and Renee I am so sorry to hear of Kurt's passing. Our prayers are for you and your family during this time. I have a lot of memories growing up with Kurt. We always classified ourselves as the "town kids" or the "fab 5". There were 5 of us from our class that spent alot of elementary years together. My thoughts and prayers are with you.*

“ To Kurt's family: We are so incredibly sorry for your loss. It is with sincere regret that I will be unable to attend his funeral but please know that you are all heavy on our hearts and we will be praying for you. Please know that I would be there if I could but my Grandfather passed away this past weekend so we also will be attending family functions. Dad and I were sharing memories of little league baseball and other funny memories of Kurt the other day. He was priceless....

“ To the entire family of Kurt, I am so sorry for your loss. I am at a loss of words but want you to know I will be praying for you in the days to come. Kurt was a good cousin, but an awnry little cuss and that is how I will remember him. I always thought of the Gilmore boys as my older brothers and will truly miss him. I love you guys and wish I were with you in your time of sorrow,

“ We are deeply sadden of Kurt's passing of such a young age. He loved his kids like no other. Memories he left them will last a life time. His true passion was taking care of Mother Earth; Trees, Flowers, Gardens, animals. He's with the Lord and reaping his rewards like a new blooming flower flourishing to a new season. Kurt may physically be gone but not gone in spirit, just look around and feel the wind blow across your face, he's here with the wind in the fields, trees, grass, etc.

“ Delores, I was so sorry to hear of Kurt's death. I'll always remember him as the little brother pulled in the wagon by his big brothers as they delivered their papers all over town. Sincerely, Linda

“ Condolences to all of you. Delores, Paul, and all of Kurts family. We have lots of memories of you all while you were in the Merna area. I'll never forget Kurt laying on the floor in the backseat of our car while going on a skiing trip. We were going through a mountain pass and he wasn't too fond of it. Thinking and praying for you all.
