“ Robin, I just found out about Lanny's passing, I was in Seattle. My sincere condolences. I just watched his service & found it most fitting ,very nice and enjoyed hearing 'your song'. He certainly was a fighter to the end and he was very blessed by you in his life. Peace be with you.

“ Robin: I truly am sorry to lose so fine a person as Lanny. I loved his humor, his wit and his personal charm. I know how much he loved you and am sorry for your loss of so dear a companion. He was an inspiration to fellow birders. We loved him!

“ I worked with Lanny many years ago at Kearney State College. At that time he took care of the greenhouse and loved working with all the plants. The first time I met Lanny was when I called for someone to come to Brunner Hall of Science because we had a bat in the building. Lanny came over laughing about how we were trying to get it out. After that he was our go-to man when we needed bats removed. He was a wonderful man and a joy to work with. Joan Kenney
