“ I've uploaded a picture sent to me by Dan Lindenstein whom I recently connected with on Facebook. This is a school picture from District 25 north of Gibbon. I attended this school with both Laurie and Lisa. The Lindenstein kids are in the picture as well, along with my three sisters, Sandra, Carol, and Pam. I'm the guy on the far right, front row. My name is Rick Rhoadarmer.

I have a confession to make. I had a huge crush on Laurie, even though she was a year or two ahead of me in school. Laurie was the first girl I ever kissed. We were playing hide and seek, kick the can, or some such game at recess which required hiding. Laurie and I hid in the road ditch to the north of the school, behind the propane tank, and that is where my first kiss took place.....never forgot it!

I was saddened to hear of Laurie's passing.

“ I am so sorry to hear that Laurie passed away. Met her folks the year she was born and we became close friends. Before we moved to Iowa we did so much together, remember taking turns driving Laurie and our Terry in to tap dance lessons. We took care of each others kids when there was a need. Our other kids were close in age and so they had a lot of fun when we got together.

My sympathy to Laurie's daughter and family as well as Lisa, Steve and Holly and all the Rogers. We had such great times together.

Love, Bobbie Lindenstein
