“ *I am Leila Anderson's great-great granddaughter. I remember going to her apartment all the time when I was little. I remember her having a couple of bids in her kitchen and I would always play with this little slot machine she had along with other toys or knickknacks. She will be greatly missed. She lived a long and happy life, and I'm glad I was able to have her in my life. I love you Grandma A. R.I.P*

“ *I was so very sorry to read about Leila's death in tonight's paper. I have fond memories of time spent at my Uncle Hub and Aunt Leila's house with Mom and Dad. Leila was always so good about remembering us with a Christmas card and keeping me posted on the Anderson family news. I will miss those cards and hearing the news...especially about Kathy and family ! Thinking about you all.*
