“ I am so sorry to hear of the loss of your Mother. Lynett was such a wonderful person. She always seemed to have a smile on her face that would brighten up a room. I enjoyed going to Brad and Lisa's house and the other children because they were all my second family. Actually they were I think the only one's my parents actually approved me and my brother really hanging out with. If we did something wrong we would get scolded by Lynett and our parents. Oh man. I love you Lynett, you will be missed deeply. God has gained another angel.
