“ You will be dearly missed. I always enjoyed working with you at Baldwin filters. You literally seen me grow into adulthood within the walls of Baldwin for over 20 years. I will miss giving you crap and just for old times sake “Hey, Leona we need to call back all the filters made for last two days” 😂.

“ *I have many fond memories of aunt Leona..she was my father's sister. She was the fun aunt to hang out with as a child and as a grownup she was the one who reached out to me when my father could no longer take care of himself. I will remember her fondly and give my greatest condolences to her remaining family. I love you aunt Leona...godspeed.*
