“ Judy & family, my deepest sympathies to all of you. I was lucky enough to have met Les when Judy & I worked together years ago. We reconnected when Les moved to the Veteran’s home. I really enjoyed the visits with Les & learning about his past jobs. He will be missed. Rest in peace Les.

“ I met Les when Judy and I worked together in the 90’s. Then I had ran into him at Walgreens where he was a checker for a short time. He was such a sweet man and always friendly. I have fond memories of he and Judy. I am thinking of you and your family Judy.
