“ *Your dad was one of those people who always had a smile and a friendly word. I really thought he "looked cool" in his dairy uniform when I was little. I remember playing in your yard one hot summer day when your dad got home with his truck and he called us all over for a cold popsicle. Popsicles don't taste like that anymore. It was the best. So sorry to hear that your Dad is gone, but we rejoice with you in his home-going. Sorry we were not able to be with you for his service. God bless you and Keep you, and may his face shine upon you. “ *I am sorry to hear of Lee's passing. It seems only yesterday he and his family lived two doors down the street. Please accept my thoughts and prayers at this time of sorrow. I had a great deal of respect for Lee though it has been several years since we last spoke. He was very helpful to my wife and me while we were attending college in Kearney. May God be with you at this time. Larry Chandler*

“ Lee was such a nice person and a great neighbor. The neighborhood is no longer the warm & friendly place it once was. He was our milkman for many years. I hope you all can fondly remember the good times, as I know I will.
