“ I am so sorry about Linda's passing.

*She was my hairdresser for many years and my friend. We knew each other starting from the days we both lived in the trailer park.*

*We shared life's ups and downs and enjoyed visiting. I liked going to her shop because it was always so beautifully decorated and I could see her new jewelery. I still wear several pieces I bought from her.*

*It was wonderful when she "found love" with Chris and they married.*

*I thought it was terrible when she retired! I offered to meet her half way to Des Moines by the interstate so she could cut my hair...she didn't think that was a very good idea...*

*My sincere sympathy to the family.*

“ Linda and I grew up together both being only children of older parents we became more than cousins, we became best friends. I have many memories of our times growing up and as adults. We were there for each other many times in many trying situations. Rest In Peace dear cousin until we meet again.
