“ *Charlotte just called me, about Lisa. I am so sorry for your lost. It has been a few years sence I have talke to Lisa. I regret not keeping in touch. We did talk on the phone often. See loved Her Lord Jesus. and we had many time praying together over her many years she fought with arthritis. She would write me many letter(which were really books ha) of her trials in life, and many questions, which she managed to answer her self by the time she got to the end of her book. She was very good at writing poems. I will find one and post it later. Linda and Johnny I pray Jesus will comfort you at this time and the days to follow. Ruth*
