“ I had the pleasure of meeting Lloyd and Patsy in mid 90's when they still lived in Neligh, Nebraska. I truly enjoyed our business meetings together over the past 30 years, whether in person or over the phone. Lloyd loved to talk about their ranch, the cattle, calving season, the family, or anything relating to his land or livestock. I looked forward to my meetings each year with Lloyd and Patsy and catching up with whatever was going on in their lives at that time. Lloyd was always very respectful and a gentleman. My sincere condolences to you Patsy and the family.

“ I was a Caregiver of Lyold Taber for almost 2 years in Az, we got along so well , along with the family. Lyold was such a character, I loved when he shared his stories with me in the past , how he loved working on farms and talk a lot about his family. He really wanted me to come see his farm one day , he would always talk about his kids and grandkids especially his grandkids. He would show me pictures of them . As a Caregiver he was the most great friend I had and I love coming by, making sure he was okay. I was thankful I care for him , and got to know him . He was such a cheerful , loving , caring person that he loved his family so much. I love when I come in the room he always have a big smile on his face always . Everyday Lloyd would ask me how my cute little boy doing and tells me to bring him by. I was grateful that I met him , and I will miss him so much, he was a great friend.

“ I remember Lloyd fondly. He tended my father's livestock for all the time he was in Neligh. I worked for Lloyd for a time back in the 60's and always found him to be a quiet spoken and gentle guy. I lost my cherished wife Alta about a year ago and I recall that when I worked for Lloyd, both Patsy and my wife were pregnant at the time. Our baby, my daughter Anita, is now 56 years old. My, where did those years go? I often thought of Lloyd over these years and offer you, Patsy and your family, my most sincere and heartfelt condolences. He will be sorely missed. I hope that the memories you made together will sustain you. God's blessings to all of you at this difficult time.
