“ We are saddened by Loretta Leila's passing, as I liked to call her. I surely enjoyed our times together in the Singles Bridge Club and remembered how she loved to play no-trump contracts years ago. To see her memory failing was difficult for me, but she was still a wonderful visitor about what was going on in our lives. As we are in Arizona for the winter, we won't be able to attend the memorial service in person; however, we will be with Sue and all of you in spirit. May God bless you all. Tom and Mary York
