“ I have wonderful childhood memories of Lori and her family. Our parents were the best of friends so we spent many hours together. We grew up in the same church, Peace Lutheran, and took family vacations together. Rock Away Beach was my favorite where we played mini golf. Lori's mother always provided entertainment for us kids, We played car Bingo where we had the chance to win prizes..my favorite was Barbie Clothes made by Lori's mother. Many summer nights we spent playing Hide and Seek and catching lightening bugs, delighting them and wearing the lights as jewelry Don't think the PETA people would be very happy with us now days...We spent hours riding bikes together and maybe being a little naughty to Mrytle G when the new highway was going in. I always loved Lori's basement bedroom. She had geometric painting of black, white and purple on one wall. Most of all I cherish the memory of Lori's laugh which was infectious. My heart breaks for her family as I know she will be greatly missed.. Thanks for all the wonderful childhood moments we shared Lori and tell our Dad's hello in heaven.
