“ Our thoughts and prayers go out to all of you as you mourn the passing of Lynn. May God's loving arms be around all of you and sustain you during the upcoming days and weeks. Lynn's strong work ethic was evident in all that he did. We had the privilege to work with him on our recent fraternity reunion. It was a cherished time. Thanks for all you did Lynn! Rest in peace dear brother.

“ Sarah and I share in your grief at Lynn's passing. I spent many times talking with Lynn and hearing his input at our men's group, and his sincere heart always in pursuit of a right relationship with his God. His rest will now be in peace and the presence of his Lord and Savior. May your memories of him be sweet, and may God grant you all His endless Peace as you process your grief and loss. One day, we all will get to dance in heaven's light together.

“ Had another dream of Lynn. He was in a Rodeo and running a horse around barrels and having a great time. He was holding the horse with his left hand and his beige cowboy hat in his right hand , Hitting the horse on the rump , laughing all the way, He is having fun being a cowboy. *janey Dubas*

“ Lynn worked at the Orleans Steak House at the same time that I was employed there during our high school years.. His kindness and sweet smile is such a treasured memory. I was blessed to reunite with him via Facebook in the past few years. Our rekindled friendship was nothing short of a joyful blessing laced with a bit of orneriness. His death is a great loss to our society. I am certain that Lynn's beautiful soul, full of love, honesty and faith, has ascended to heaven, away from us, yet now closer to God. I pray for God's comfort to surround and uphold Lynn's family and that they are filled with the peace that passes all understanding. With deepest sympathies, Dr. Linda Rodenbaugh

“ I remember how Lynn would talk about you Dee and how he enjoyed bringing you flowers. And how the grandchildren were a delight to both of you. I had dream last night that he was bowling in Heaven with a group of angels and friends and he got straight strikes. He is happy and in Heaven now. Janey Dubas

“ *Dee,  
I'm sorry to hear about Lynn 's passing. I know he was you buddy.*

*He brought flavor to the Thursday morning Bible study at USA Communications. He enjoyed learning about all kinds of things-he had a curious mind. He also had a “can do” attitude and enjoyed a challenge. We waved at each other just days ago on the road. He will be missed.*
