“ *My deepest sympathies Ben & your family! Your mother was a dear friend to my sister Ann Heil, and through my sister & you, I got to know your mother. She would always beat me in Words With Friends! Ann & I would often joke that if we could beat Mary once, that would be an awesome game! Hugs to you all!*

“ *Bill and family, My sincere sympathy in the loss of Mabel. I first met Stub and Mabel in late 1950 when Dale and I got married. I always thought she was so much fun to be around. Since we left Nebraska in 1962, I didn't see much of them after that, but always remember what a pleasant and nice person she was.*
