“ *We had the honor of knowing your mother while she was at Countryhouse Residences. When my mother moved in to the Residences, one of the first people we met was your mother. What a charming lady and someone that was always ready with a greeting. When I left for the last time - she asked me where I was going and when I told her - she said "Take care of yourself now" - very thoughtful and oh how I enjoyed her wit. Losing is hard - know that are thoughts are with you and your families and that we share in your loss may help. God speed.....we will miss you Maida.*
