“ *I have many many memories of Mark...some of my favorites involve Karaoke! Well 3 years ago ...when I was going through chemotherapy and too sick 🤢 to even get out of the house...Mark called me on the phone and serenaded me with my favorite song by Brooks and Dunn. It was the most beautiful thing ever!
I love you Mark and you'll be missed by sooooo many!
RIP my friend Until We Meet again!*

Barb and family, I'm so sorry for your loss. We enjoyed seeing Mark at his platelet appointments, and visiting with you too. Mark's dedication to saving lives by donating platelets is appreciated by all of us and I'm sure to the many, many patients his platelets have saved over several years. His laugh and sense of humor will be missed by us all on Saturday mornings. We all are thinking of you and your family and are very sad and shocked to hear of his passing. You're in our thoughts and prayers and don't be a stranger! Thinking of you, Lisa Apheresis department American Red Cross
