“ *I was reminded today of my days at NJC in Sterling. Angie and I had classes together and became good friends. We lost touch not long after she moved from Sterling. I decided to try to find her again, and am sooooo sad to have found this. She was a special person, she loved her kids with all her heart. We had a lot of fun together, teasing Mr. Gregory Harper (who has also passed) and she was amazing with helping me with my accounting class. I had always hoped that she was happy and doing what she loved. My sincerest and most heartfelt condolences to your family.*
