“ Brandon and I worked together for a while and even if he was having a bad day he could make me smile by simply smiling himself. He was a very nice, respectful and enjoyable human being. He had such a big heart and so many plans... I will definitely miss working with him and seeing him and his beautiful smile. Rest Easy GERMAN! You will be missed!

“ I know you're resting easy now, but dang it, all of us still here on earth are totally left missing you. You and Sabrina were the two I felt closest too when I lived in NC. I was so afraid I wouldn't make any friends that I felt comfortable with, but y'all totally caught me by surprise. Your smile and your humor, I'll never forget. Thank you for gracing mine and Josh's life for that season of life. We will never forget you.

With love,
Melissa.

“ Oh Brandon, the memories are endless with you. So many laughs, cry's, highs and lows spent together. You were always the light of our class. Your smile was absolutely contagious. I'll never forget our deep conversations, your warm hugs & your random snap chats asking if your hair or outfit looked good. I loved you then, I love you now and I'll love you for eternity. Rest easy friend, until we meet again!
