*You are all in my thoughts and prayers. I know the last portion of Michael's life was very difficult. I will always remember the light in his eyes and smile on his face when talking about all the things he enjoyed doing. I will cherish the memories I have of Michael ~ and consider meeting him a true blessing.*

*I can only imagine he is now surrounded by all the coolest guitars and a great heaping dish of guacamole. He was very good people and he will be sorely missed.*

*Love to you all,

“ I know you are all missing Michael. He was a gentle soul. For such a big guy, he was always soft and loving. He had such a big heart with a soft spot for children and animals. He was just a big kid himself with a great sense of fun. The world was a better place because Michael was here. Much Love, Juli
